1. Introduction

Mill Hill Education Group (the 'Group') is the trading name of The Mill Hill School Foundation. The Group has a strong boarding ethos and greatly values the diversity that both its UK and international pupils bring to the Group's community.

We very much value the input and the support of our Educational Guardians. A guardian can provide support for boarders outside of school and boarding: a friendly voice in times of need, and a homely environment outside of school which helps boarders to have a well-needed break at times, as well as providing support at times of crisis.

Under the Children Act 1989, the Group is required to safeguard and promote the welfare of pupils. During term time the Group is responsible for a pupil's welfare and acts in loco parentis. However, there are times when the Group must be able to hand over these parental responsibilities to an appointed Educational Guardian. For this reason, the Group requires all of its boarding or day pupils whose parents or legal guardians do not live in the United Kingdom to have Educational Guardians.

In addition to our safeguarding responsibilities as outlined in the Group's Safeguarding and Protecting the Welfare of Pupils Policy, the Group has particular responsibility under UKVI regulations for international pupils on our Child Student Visa sponsorship, for whom we are responsible while they are living and studying in the United Kingdom. Fundamental to these duties is the responsibility of the School to ensure they know where sponsored pupils will be staying at all times when they are not in School, be that with a Guardian, in a homestay, or another arrangement. Guardians must therefore provide details to the Housemaster/mistress of where their ward is staying throughout the duration of their stay when not in School.

The Group may request a change of Educational Guardian or revision of the arrangement if it is felt necessary. It should be noted, for example, that the Group does not consider unsupervised stays in hotels or bed and breakfast accommodation to be an acceptable level of accommodation or care.

2. Definitions

In this document, the term 'Guardian' refers to an **Educational Guardian**, which involves a delegation of parental responsibility, usually for short periods of time. This is distinct from a **Legal Guardian**, which refers to a person who is appointed by a court of law to care for a child when a parent or guardian has died or is no longer in capacity to be a parent, or to a person acting as a guardian of a child's estate. In this document the term 'School' shall refer to the Mill Hill EducationGroup School attended by the pupil.

3. Appointing an Educational Guardian

- Guardians are appointed by parents. The Group can advise parents on how to find a guardian, if required, but the Group does not appoint guardians
- The appointed Educational Guardian must be over 25 years of age and be permanently resident in the UK; they must be able to be at the Group within two hours, if requested.

- The appointed Educational Guardian must be fluent in the English language and be able to provide a point of contact for the Group at all times. If an Educational Guardian is leaving the UK, they and the pupil's parents should inform the School of alternative arrangements for the pupil's guardianship in their absence.
- Parents should inform the Group if the Guardian is related to the pupil and must give details as to how they are related, or whether the Guardian is an AEGIS Accredited or BSA Certified Guardian. In cases where the guardian is not AEGIS Accredited nor BSA Certified, the School may undertake checks, including spot-checks, on guardianship arrangements as it deems necessary.
- Ideally, the Guardian should be well-known to the child and be someone with whom the child feels happy and comfortable staying. An unacceptable Guardian arrangement would be one in which the environment is not warm, welcoming and very much like a family home and/or where numerous young people are staying in one establishment which feels more like a hostel. For many pupils where the family does not have a suitable contact in the UK, it is expected that the parents will appoint a Guardian via a reputable organisation. It is important to note that the Group does not recommend any specific agency or organisation, but would encourage parents to ensure that it is a member of either:

[The Association for the Education and Guardianship of International Students \(AEGIS\).](#)

[The BSA's Certified Guardian Scheme](#)

In line with National Minimum Standards for Boarding Schools (Sept 2023), the School will take appropriate steps to ensure that the guardianship arrangement is promoting the welfare, physical wellbeing and emotional wellbeing of the boarder. These steps may include contacting Guardians in advance to understand the nature of the accommodation, informing Guardians where appropriate of medical or emotional needs and ensuring that appropriate medical or mental health services are available while a boarder is staying with a Guardian, and asking boarders about their experience whilst staying with Guardians as part of their regular one-to-one pastoral meetings with boarding staff.

Under no circumstances can a member of School staff act as an Educational Guardian to a pupil in the Group.

- In a crisis, if the Housemaster/mistress or Assistant Head (Boarding) are unable to contact parents, the Guardian may be needed to give permission for medical care. If neither parents nor Educational Guardian can be contacted, the Housemaster/mistress acts in loco parentis – as if they were the Legal Guardian in the best interests of the child.
- If an appointed Guardian's details change during a pupil's time at the Group, it is the parents' responsibility to ensure accurate updated contact details (telephone, mobile, email and full postal address) are communicated to the pupils' Housemaster/mistress, as soon as possible, in order to ensure continuity of care.
- Guardians must be resident in the UK for the entire duration of the pupil's stay in Mill Hill Schools Group Boarding and must have evidence of their right to remain in the UK.
- Guardians must be able to provide the documents listed in clause 4 below.

The Group Guardianship Agreement can be found for reference in the Appendix to this policy **but should be completed online via the Firefly link sent to parents by the Admissions Team**. Both the parent(s) of the pupil and the Educational Guardian must complete and return the consent form before an Educational Guardian can be assessed and confirmed by the Group as an acceptable person to undertake the responsibilities outlined in this policy.

Pupils who are required by this policy to have an Educational Guardian will only start at the Group when a suitable Educational Guardian has been appointed and the Guardianship Agreement (as set out in the Appendix) has been signed by the parent(s) and the Educational Guardian.

4. Identity Verification

4.1 The Group has a duty to undertake appropriate checks on Educational Guardians. Any person undertaking the responsibilities of Educational Guardians is required to provide the following documents [for every adult member of the household over the age of 18]. This is required for the purposes of identity verification and safeguarding:

- One form of photographic ID (e.g., passport, driving licence, national identity card)
- One proof of address (e.g., utility bill, mortgage or rental agreement)
- Evidence of their right to reside in the UK (e.g., passport and British Residence Permit card).

4.2 Where the Educational Guardian is appointed by a guardianship agency, the agency will be required to confirm that:

- it has the evidence specified in 4.1 above, which should be in date for immigration documents
- it has completed all relevant safeguarding checks on the Educational Guardian
- it is accredited either with AEGIS or BSA

4.3 A member of the boarding team will endeavour to telephone the Educational Guardian to check the details given on the form and that they are comfortable with the responsibilities they are undertaking. These conversations will be recorded. Where appropriate, the Group may require to undertake home visits of Educational Guardians.

5. Guardian Responsibilities

All Guardians must be prepared to undertake, where necessary, the following responsibilities:

- To provide a 24-hour point of contact throughout the Group year.
- To be ready to accommodate and take responsibility for the pupil at short notice in case of emergency or crisis.
- To provide a home-like, safe and suitable accommodation for the pupil with an appropriate degree of care and supervision when they cannot be accommodated at the Group and to liaise with the

Housemaster/mistress regarding these arrangements. Occasions are likely to include, but are not restricted to:

- Leave weekends
 - Holidays
 - Days at the start and end of term when a pupil's flights do not coincide with term dates
 - If a pupil is ill or injured and needs to recuperate away from the School
 - If the School requires a pupil to leave for disciplinary reasons or because the School determines it to be in the pupil's best interests
 - Any other occasion when the pupil is released from the School
- To make suitable alternative arrangements if they are unable to accommodate the pupil themselves, and to inform both Housemaster/mistress and parents of the arrangements.
 - To liaise with the School regarding all matters relating to the pupil's welfare, including pastoral, academic and medical care.
 - To act with delegated parental authority in the case of an emergency or crisis and to make appropriate arrangements for medical care.
 - To attend important parent and teacher meetings or any other important meetings at the School on behalf of the parents.
 - To notify the pupil's Housemaster/mistress if the Guardian is planning to leave the UK and to ensure that the pupil's parent(s) have appointed a suitable replacement/temporary guardian to act whilst they are outside the UK.
 - Guardians should ensure that the welfare, physical wellbeing and emotional wellbeing of the boarder is promoted while the boarder is in their care. Any concern about a guardianship arrangement will be acted upon immediately by the School and referred to external agencies where appropriate.

6. Private Fostering

Pupils under the age of 16 who stay with persons in the UK who are not their parents or close relatives for 28 days or more (consecutively) during term-time or school holidays, may be subject to the law on private fostering. The School may be required to contact the relevant local authority to ensure appropriate safeguarding is in place. 'Close relative' for the purposes of UKVI is defined as a person aged over 18 who is the pupil's grandparent, brother, sister, step-parent, uncle (the brother or half-brother of the pupil's parent) or aunt (the sister or half-sister of the pupil's parent).

The Group has a duty under the National Minimum Standards for boarding to inform the local authority in which a boarder is staying, should they be staying with anyone who is not a 'close relative' under the definition above from over 28 days. Please note this includes some relatives including cousins which families may consider a 'close relative', but which are not covered by the above definition. In such cases, the Local Authority may visit the family and undertake an assessment in order for the child to continue living with the Guardian. This assessment may involve requesting to meet all adult members of the family.

7. Homestay Arrangements

A Homestay arrangement is where the pupil's parent(s) appoint a person to take temporary responsibility for the safety and wellbeing of the pupil, for instance over a weekend or school holidays. This is normally arranged through the Educational Guardian who will be expected to carry out all required safeguarding checks on the Homestay family.

The parent(s) or the Guardian must provide the pupil's Housemaster/mistress with details of the person(s) with whom the pupil is staying as part of the Homestay prior to the Homestay. These persons must be in the UK for the entire duration of the pupil's stay with them, be over 25 years of age and have the right to reside in the UK.

The Homestay host must take responsibility for the welfare of the pupil during their stay; remain contactable at all times; make the Housemasters/mistresses aware of any welfare concerns and ensure that the pupil returns to School at the required time.

As with Educational Guardians, the Homestay provider should provide the identity documents outlined in Section 4 of this policy.

Guardian Regulations

1. A Guardian is normally the nominee of the parents, but the Head reserves the right to refuse to accept the nominee as a Guardian at any time should he/she feel that the person nominated was or has become unsuitable. In some exceptional cases, the Head may require boarders to be under the guardianship of an AEGIS Accredited or BSA Certified Educational Guardian.
2. A Guardian must reside within a reasonable travelling distance of the School and must be able to be at the Group within two hours. They must have the right to reside in the United Kingdom.
3. A Guardian must be no younger than 25 years of age.
4. A Guardian must attend all important occasions in the pupil's life at School. These include academic Parents' Evenings that are calendared.
5. A Guardian is expected to **inform the relevant Housemaster/mistress if leaving the country at any point during term time** and a temporary Guardian must be appointed before the period of absence commences.
6. A Guardian is expected to act in loco parentis in any involvement with the School and to assume the duties and responsibilities which entails providing a home for the pupil at weekends when required and during any School holidays in which the pupil is not returning to their home. Pupils are not permitted to stay in a hotel or residence without a responsible adult present, such adult to be nominated by the parents. If a Guardian is unable to accommodate a pupil then the pupil's Housemaster/mistress must be informed of this before the holiday commences and any alternative arrangements must be approved by the Head/Housemaster/mistress.
7. A Guardian is expected to assume responsibility for the care of the pupil if they are suspended or if their removal is required from the School by the Head.

8. A Guardian is expected to assume responsibility for the care of the pupil if they are too ill to remain at School and on the recommendation of the School Doctor is sent home. Should a pupil have diarrhoea and/or vomiting, or another contagious or infectious illness, they are required to go home or to their guardian for a period of 48 hours from the last episode, in line with HPA advice, in order to prevent the spread of infection through the Boarding House.
9. A Guardian is expected to assume responsibility for the care of the pupil if the School were to close in an emergency.
10. The School accepts no responsibility for any financial agreement or dealings between the parents and the Guardian.
11. Guardians are expected to visit the Boarding House on the day of the new pupil's arrival. If for some reason this is not possible, then a visit to the Housemaster/mistress before half-term is a mandatory requirement.
12. Guardians must read and adhere to the Guardian Handbook which will be sent to them before the start of term, which outlines important information regarding Guardian responsibilities.
13. Guardians must be prepared to provide character references if requested by the Head.
14. If the pupil is to stay with a person(s) as part of a Homestay arrangement, the Guardian must notify the Housemaster/mistress prior to the Homestay and ensure that the Homestay arrangements comply with the provisions of the Group's Guardianship Agreement.

Pupils who are required by the Group's Guardianship Policy to have an Educational Guardian will only start at the Group once a suitable Educational Guardian has been appointed and this Guardianship Agreement has been signed by the parent(s) and the Educational Guardian.
